

CERTIFICATE

of Honorary Membership

THE CERTIFICATE IS PRESENTED TO

Olga Pombo

In honor of her exceptional contributions to the field of epistemology and interdisciplinary sciences. Through her pioneering work on the theory of conceptual mapping and her profound analysis of the dynamics between different scientific disciplines, She has significantly expanded our understanding of knowledge and its applications.

With pride and esteem, this certificate is awarded on August 2, 2024,
in Rome, at the World Congress of Philosophy
